

## DEATH OF ALBERT LEIB

News has reached us of the sad and untimely death of Albert, the 19 year old son of Mr. and Mrs. Robert Leib, of Brush Creek. This young man was stricken with a severe case of Typhoid fever, during last week and was rushed along by the Grim Reaper until the end came on Tuesday night of this week.

Albert was a good boy and had many friends who will miss him outside of his immediate family. His father, mother and several brothers and sisters survive to mourn his loss. As we have remarked once before the toll of young men seems to have been heavier than usual this summer. And we cannot answer why. This is not for us to know, We have but to live and die. And no man can say Him no.

The family have our sympathies.
