

Betty Lou Whittemore, age 3 years and 7 months, the small daughter of L. R. Whittemore, of the Little Ivy section, died at the home of her aunt, Mrs. L. B. Evans, Monday morning, September 22, at 2:15.

Burial was Monday afternoon in the Davis family cemetery near Beech, N. C.

She is survived by her father, Lee Whittemore, two sisters, Wilma and Mary Whittemore, of the Little Ivy section; also 5 aunts, 3 uncles, and many relatives and friends.

We miss the little darling who has gone to join her mother in Heaven, but we have a great consolation. Sometime if to God we are true, we'll see little Betty Lou again—not in pain, but in joy and gladness with Jesus and the little angels.

By her cousin,

MRS. THELMA BILLINGS,
Mars Hill, N. C.
